

Collection 2024

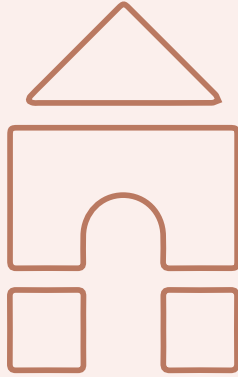

At Speedy Monkey, we believe in safety and sustainability. Our collection offers FSC (Forest Stewardship Council) certified toys that combine contemporary lifestyle designs adapted to traditional toys.

We are proud to have obtained the FSC label. This means that our wooden toy collection meets the "gold standard" ethical production. The wood is harvested from forests that are responsibly managed, socially beneficial, environmentally conscious, and economically viable.

The Speedy Monkey Team

Early learning

Introducing children to shapes, colors, and problem-solving.
